

Lomita, HC Chest Drive Reports Told

Contributions to the 1952 Community Chest campaign Lomita have reached the \$1,287.55 mark, according to James Decker, chairman.

The cash figure represents 64% of the goal of \$2,011, Decker said. Leading solicitors are members of the residential division, headed by Mrs. Gale Ford. This group has brought in the bulk of the contributions, the chairman reported.

In Harbor City, the campaign has raised 57% of the community quota, according to Harry B. Bowker, chairman. A total of \$612.90 of a goal of \$1,067 has been collected.

Both community chairmen say volunteer workers will stay on the job until quotas are reached.

Pfc. Gusman Given Combat Service Badge

The Combat Infantryman Badge for excellent performance of duty under enemy fire in Korea recently was awarded to PFC George R. Gusman, son of Mr. and Mrs. Art Gusman, 1106 W. Maple ave., Torrance.

He is a member of the 2d Infantry Division, which gained fame in two of the hardest fought battles of the Korean war. It captured "Heartbreak Ridge" in October, 1951, and took "Old Baldy Hill" this summer.

A heavy weapons infantryman in his unit, Gusman has been awarded the Parachutist Badge and the Army of Occupation Ribbon for service in Japan. He entered the Army in December, 1950.

How to make good telephone service even better...

telephone tips for talkative teen-agers

Time has a way of slipping by when the youngsters are visiting their friends by telephone. If you have a problem like this around your house, why not tip off the youngsters to the fact that the calls they get are often more important than those they make? And, of course, no one can call them... or you... as long as they have the line tied up with lengthy conversations. That's why, when they remember to leave a few minutes between calls, they won't run the risk of missing an important date because the boy who was calling could get nothing but a busy signal.

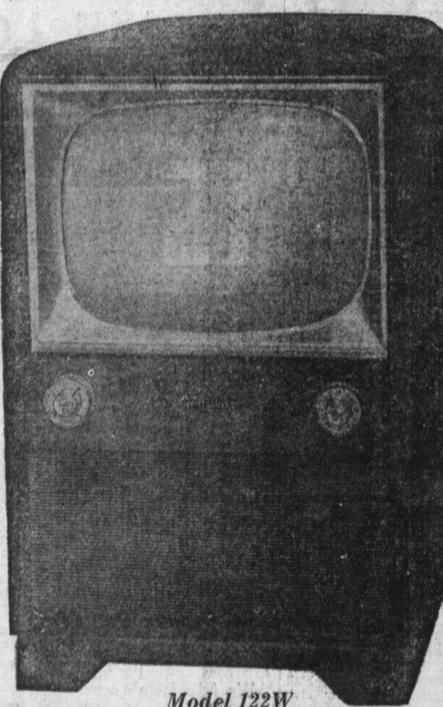

you'll always have numbers handy when you need them, if you'll make a list of the numbers you call most often. And if you'd like to keep numbers in a handy, indexed booklet, just call, send a postcard, or drop in to your Pacific Telephone business office. We'll be glad to give you a free personal number booklet.
